<p>Details</p>	<ol style="list-style-type: none"> 1. Dimension: 24" x 36" 2. Material: gloss paper laminated with clear polyester both sides
<p>Image</p>	<p>The image is a detailed medical poster titled "AIDS AND OPPORTUNISTIC DISEASES". It features a central illustration of a human torso with internal organs (heart, lungs, liver, stomach, intestines) and a head with the brain. Surrounding this central figure are eight smaller diagrams, each representing a different opportunistic disease. Each diagram includes a title, a brief description, and a corresponding anatomical illustration. The diseases shown are: Toxoplasmosis (lungs), Cryptococcosis Meningitis (skull/brain), Cytomegalovirus Retinitis (eye), Lymphoma (lymph nodes), Skin Diseases (facial lesions), Pneumocystis Carinii Pneumonia (lungs), Candidiasis (mouth/throat), Kaposi's Sarcoma (skin spots), and Cryptosporidiosis (intestines). A watermark "www.algra.com" is visible across the central figure.</p>
