

The Human Nervous System Chart – DG031

<p>Description</p>	<p>◆ Anatomically accurate with life-like colors, these posters have been created by the very best medical artists and anatomy professors. Heat-sealed on both sides with clear plastic, they are durable and tear proof. The posters are bound with sturdy rods on the top and bottom, and a hook is included for easy hanging.</p>
<p>Details</p>	<ol style="list-style-type: none"> 1. Dimension: 20" x 28" 2. Material: gloss paper laminated with clear polyester both sides
<p>Image</p>	 <p>The image shows a large anatomical chart titled "The Human Nervous System". The central figure is a human body from the back, with the nervous system (brain, spinal cord, and peripheral nerves) highlighted in a bright orange color. Surrounding this central figure are several smaller diagrams and cross-sections, each with accompanying text in German. These include: <ul style="list-style-type: none"> A cross-section of the brain at the top right, labeled "Längsschnitt durch den Kopf". A cross-section of the spinal cord in the middle right, labeled "Querschnitt im Wirbelsäule". A cross-section of a nerve in the middle left, labeled "Querschnitt durch ein Nerven". A cross-section of the brain at the bottom right, labeled "Mittlere Weisung des Gehirns". A diagram of the brain and spinal cord at the bottom left, labeled "Substantia nigra". Two smaller human figures at the bottom right, labeled "Peripherie und zentraler Nervensystem". </p>
