

Ice Hockey Chart – PF028

<p>Description</p>	<p>◆ This colorful 24" x 36" laminated chart depicts the rink, player positions, along with a brief description on the duties of each position, a game overview, types of penalties, and other key components and facts about the game. Designed as an educational tool, this poster will foster a better understanding of ice hockey and it's rules. Perfect for enthusiasts, educational institutions, sports teams, etc.</p>
<p>Details</p>	<p>1. Dimension: 24" x 36" 2. Material: gloss paper laminated with clear polyester both sides</p>
<p>Image</p>	 <p>The image shows a detailed educational chart titled "ICE HOCKEY". It features a central diagram of an ice rink with various zones and lines labeled, including the Defensive Blue Line, Center Red Line, and Offensive Blue Line. Player positions are numbered 1 through 6: 1. Center Ice, 2. Left Wing, 3. Right Wing, 4. Left Defenseman, 5. Right Defenseman, and 6. Goaltender. The rink dimensions are 200 feet by 85 feet. To the right of the rink diagram is a silhouette of a hockey player and a section titled "Positions" with descriptions for each role. Below the rink diagram is a "QUICK FACT BOX" and a "Game Overview" section. At the bottom right, there is a "PENALTIES" section listing Minor and Major penalties. The website www.productivefitness.com is visible at the bottom of the chart.</p>
