

FeatherLight Folding

Simple assembly, one-step folding and the most comfortable feel make the Andes 5 one of the best moves you can make to improve your fitness. Plus, tracking your workouts and monitoring your progress has never been easier, thanks to ViewFit connectivity.

FEATURES

- Easy three-step assembly
- One-step folding frames for easy transport and storage
- Ergonomic design and longer stride for a comfortable workout
- Innovative Cardio Compass display that works with any wireless heart rate receiver to provide clear, visual workout feedback

With ViewFit, you'll never have to manually enter your workouts again because your machine will do it for you. Go to ViewFitness.com or download the app to connect your equipment, track your efforts and share your progress.
